

# Payroll Talk

**August/September 2017**

**The Organization for Payroll Professionals**

---

PPK hosted a new and improved statewide conference on August 18<sup>th</sup>, giving payroll professionals from across the area a great opportunity to sharpen skills, enhance engagement, and earn RCH's. To those in attendance, we hope you enjoyed the opportunity to spend the whole day with fellow professionals and more importantly, that you completed a survey to share your feedback.

We did get an overwhelmingly positive reaction to the new venue – special thank you to Pam Beyers for securing Audubon Country Club!

And let's not forget our Gold Sponsors, Global Cash Card and Workday, we could not have done it without you! The support from these businesses cannot be underestimated!

**Global Cash Card**  
We make paycards easy

Tim Wallen procured some incredible speakers, allowing us to offer a full day of education! Greg Coker impressed the group with his inspiring message about Soft Skills (I'm sorry I missed that one!). And our very own Vickie Elder, made quite an impact sharing the Texas Roadhouse lessons of improving processes through automation.

Rounding out the day, we had the fine folks from Marsh & McLennan team up with Workday to discuss their implementation, which most of us know can be a daunting undertaking, so it's great to learn from the best. We were also pleased to have Susan Dermody (Equifax), review ways to prevent overpayment of Employment Taxes

and Joe Stennis from Wyatt, Tarrant & Combs, reviewing the latest and greatest on Employment Law updates.

We strive to produce an event that is worthy of your time and that showcases Kentuckiana as a chapter that gives back to its members and the community. To that end, we greatly appreciate all the donations to The Center for Women & Families, we cannot thank you enough for your generosity.

This event is the pinnacle of PPK's activities each year, and being a part of the team putting it together is very rewarding. But don't take my word for it, just ask any of the officers or volunteers!

Speaking of volunteers, it's almost time to vote on our 2018 officers – stay tuned for information on nominations!
